Get started

शुरुआत — ऐप लीजिए, लॉगिन कीजिए

Android

1. Tap **Download for Android**
2. Tap **Join group** → sign in with this phone's Google account → change nothing, tap **Join group**. Go back → **Open in Play Store** → **Become a tester** → **download it on Google Play** → **Install**. Play Store must use the **same Gmail**. (In a hurry? **APK download** on the same page.)
3. Sign in with the **code HR gave you**
4. Allow notifications, location **All the time** and **background use**

▶ **Watch · 3:02**

iPhone

1. Get **TestFlight** from the App Store
2. Tap **Install on iPhone** → Install → Open
3. Sign in with the **code HR gave you**
4. Allow notifications, then **Change to Always Allow**

▶ **Watch · 1:58**

Visitors

Visitors scan the Visitor QR at reception — a check-in page opens. No app needed.

Report a problem

कोई दिक्कत? स्क्रीनशॉट भेजिए

Write your name and what happened, attach a screenshot. It reaches us straight away — bugs get fixed, and we follow up if needed.
